**Physical Education Philosophy:** The physical education department of Copper Hills High School is here to help students understand a healthy lifestyle and apply it for lifelong fitness education. It does not matter if you are the fastest, strongest, or most athletic person in the class. Your grade is earned by how much **effort** and **respect** you give to the class, teachers, and others.

**FERPA Notice:** Student information, work, and grades will be kept confidential and will not be shared without the necessary authorization as per FERPA Regulations - See JSD Policy.

**No student will be allowed to participate in class without a parent-signed disclosure form.**
